

Welcome to 8th grade

My name is Ashley Davis. I have a BS from Penn State and a Master's degree from Cabrini. This will be my 12 year teaching. I have two kids that also go to school here. I love my job!

8th grade is a lot of work, but it's also a lot of fun! Everyone in 8th grade has me for Social Studies. We will learn about US History from the Civil War until WWII. I also teach 5th-8th grade on-level Math.

This is your time to be a leader! Take an active role in your school and in your classes. Make new friends and be a positive role model.

I am so excited for the year to come! I can't wait to get to know all of you and make your last year here at St. Al's the BEST ONE YET!

Love, Ms. Davis
