Mrs. Laz announced auditions for later in October after school. Students began signing up Thursday morning. Best of luck!

SUNDAY'S GOSPEL CONNECTION

There is much in this Sunday's Gospel that resonates in family life. In our daily attempts as parents to live up to the confidence and trust that our children place in us, we come to know the wonders that God can do with just a little faith. In family life we also learn about obligations that are their own rewards. The daily tasks that family members do for one another and for the household are simply the manifestations of our responsibilities to one another. Take a turn with each

member of the family and identify some of the little things that each family member does that make a big difference in your family life.

8TH GRADE GOLF BALL DROP

On Tuesday, October 11, 2022, we will be dropping 200 golf balls off the roof of the school building near the mural. The ball that lands the closest to the cone will win \$1,000. You can purchase your golf ball for \$10 each. Information was sent in PIE this week. The proceeds will benefit the 8th grade trip to NYC in December.
