

Hi! I'm Mrs. Haldeman (Mrs. H)

Welcome to preschool! I am so excited to be your teacher this year. We will have many adventures together as we learn about the world around us!

Our days will consist of circle time: where we will pick jobs, go over the calendar, look at the weather outside and a weekly focus- letter, number, shape & color. Each day we will have centers where we will have a teacher directed activity, do a themed craft, and work on fine motor skills. During centers we get to play with the toys in our room where we can play, share, and learn with our friends. We go outside as much as possible to enjoy the fresh air and play on our swingset.

As preschoolers we eat a snack and lunch in our classroom. After lunch, we have some time where we can "rest our bodies". Then before you know it, we are back to exploring through play.

This is just a short little look into what a typical day looks like in the PreK-3 room! I am so happy that you have chosen Saint Aloysius! Enjoy your summer and I look forward to meeting you in September! More information to come!

Love, Mrs. H :)
