## Sunday's Gospel Connection

Jesus' promise of eternal life is a central element of our Catholic faith. Even though Easter is still two weeks away, our Gospel today invites us to acknowledge Jesus' power over death, evidenced in the raising of Lazarus, and to anticipate Jesus' conquering of death once and for all in his death and Resurrection. We sometimes use examples from nature to help describe this mystery of our faith. Jesus himself talked about the seed that dies when planted in the ground in order to produce new life (John 12:24). Using that image and others, we find hope and confidence in Jesus, the Resurrection and the life.

Gather your family today and read today's Gospel in its shorter form, John 11:3-7,17,20-27,33b-45. Write Jesus' promise from today's Gospel ("I am the resurrection and the life.") on a large sheet of white paper. As your family talks about what Jesus means by this promise, decorate Jesus' words with symbols that will remind you of his promise of eternal life. Display this

reminder of Jesus' promise in a prominent place in your home and keep it there until Easter. Pray that you will always remain confident in Jesus' promise of eternal life. Conclude by praying together the [Apostles' Creed](#) or the [Nicene Creed](#).
