

Dear Families,

Welcome to PreK 4! This is a special year in your child's education. Foremost, it's a year of learning about God's creation and his love for us.

Our curriculum boasts a great balance of play and direct instruction. We work in small groups as well as the whole class learning together. Through exploration and discovery we cover pre-reading skills such as letter recognition, sounds, rhyming, and number concepts. Many centers are open to choose from: art, blocks, dramatic play, manipulatives, trains, book, games and puzzles.
