

Dear Parents,

My name is Amy Willson, yes, 2 L's, and I am excited your child will be in my 5th grade class this upcoming school year! This is my 10th year as a classroom teacher and I am looking forward to an exciting school year. It is my goal to provide all students with a welcoming, fun, positive environment full of learning.

A little about me- I am an avid reader and when I am not at school you will usually find me at a soccer field with one of my kids, with a Starbucks Chai in hand. My husband and I just celebrated 25 years of marriage, and we have three children Nick, Jack and Emily. My favorite place is the beach and I always have a book and my chocolate Twizzlers when I am at the beach or pool!

This is going to be a wonderful year for your child and you will see growth in both their academic abilities and social skills. Our classroom will be a place where all students will feel respected and confident in their abilities and also have the opportunity to challenge themselves.

I believe the connection between home and school is essential and your support is a large part of your child's success in school and beyond. I can't wait to get to know your family throughout the school year, and to get to know your child and help them on this next step in their academic journey.

You can always contact me with any questions or concerns you may have, and together we will make this a fantastic year!

Have a great summer and I look forward to meeting you –

Amy Willson
