- **April 3-** Spring Uniforms Begin
- **April 4-** Living Stations Evening Performance
- **April 5-** Living Stations- School Performance
- **April 6-10-** No School

Sunday's Gospel Connection

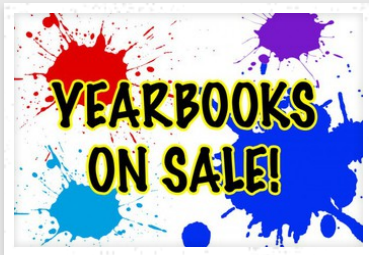

Palm, or Passion, Sunday begins the most sacred week of the Church year—Holy Week. During these days, we prepare ourselves for Easter by prayerful reflection upon the events of Jesus' Passion and death. You might display a crucifix in a

prominent place this week, as reminder of the salvation Christ won for us. The crucifix can also be the focal point for family prayer during Holy Week.

Because of the length and complexity of the Passion narrative, young children have difficulty remaining attentive when it is proclaimed in its entirety. Families can choose to read a portion of this Sunday's Gospel each day of Holy Week, providing ample opportunity for children to ask questions and respond to the events described there. In this way, the entire week can become a "way of the cross."

Each day during Holy Week, the family can gather in a prayerful space with a crucifix as the focal point.

Yearbooks On Sale Now!

We are pleased to offer two purchasing options this year:

- **Online:** You may order the Saint Aloysius Yearbook online by clicking the following link: https://www.jostens.com/apps/store/productBrowse/1043819/Saint-Aloysius-Parish-School/2023-Yearbook/20230228081538287119/CATALOG_SHOP/
- **Offline:** You may complete the order form that was sent home in PIE, and submit it along with cash or a check made payable to "Saint Aloysius Parish School" to the main office.

School Store

Our online school store is up and running! It has some great spirit gear. We have some extra uniform jackets here in the office. Call Mrs. Sanft before placing an online order. We may have your size here! We are out of the YM size. The link to the school store is <https://saintalloysius.logoshop.com/>.

6th Grade

Students in 6th grade are learning about Earth's systems and processes. They conducted a Mechanical Weathering Lab to investigate abrasion.

5th Grade

Students in Honors Math created town maps to demonstrate their understanding of geometric vocabulary!

Pre-K4

Students in Mrs. Hudak's class enjoyed conducting a STEM Easter Egg experiment. Students hypothesized whether or not the eggs would float with various inside.
