

## Saint Aloysius Preschool 2023-2024

Welcome to the 2023-2024 school year. This year will be filled with positivity and God's love! Your preschooler will grow socially and emotionally. We will have so much fun learning new things and making friends along the way. Our weekly focus includes letters, numbers, shapes, and colors. We participate in three specials: Gym, Library, and Music. This year will be special for your child and we are so excited for this upcoming school year.
