

June 2024

Dear 1st Grade Friend,

Hello! WOW, you finished Kindergarten and now it is Summer vacation time! Congratulations!

I wanted to say hello to you and wish you a FANTASTIC summer. Over the summer, I would like you to get lots of sun, exercise, outside time (using lots of sunscreen) and have lots of FUN!

I would like you to practice your math facts. Maybe, mom or dad can buy you flashcards to practice. You can buy them at Target, Dollar Tree or Ollies. Don't forget to review your vocabulary words from Kindergarten. I would like you to read, read, and read! Lastly, don't forget to say your prayers each day. Remember to pray for you, your family, and your St. Aloysius Family.

I wish you a wonderful summer. I'm looking forward to working with you in September.

Enjoy,

Mrs. Kalil and Ms. Smith
