

Dear 3rd Grader,

Congratulations on completing 2nd grade!

I know you had a great year and learned many things. Now it's time to kick back, relax, and enjoy Summer! You definitely earned it.

Over the Summer, I want you to have fun, run around, play outside, and exercise. I also want you to read, read, read! Reading helps make our brains stronger. You'll choose a Summer Reading Book to read and finish, but don't stop there!

Aside from Reading, don't forget to also brush up on your Math skills by completing the packet, too. Do a little bit at a time, and don't wait too long to begin.

I hope you have an awesome Summer. I can't wait to hear all about it when I return from maternity leave in November. You will have a Long-term sub in my absence from September until November 1st. Until then, stay safe and help out whenever you can. I am looking forward to seeing you in November.

Your teacher,
Mrs. Haldeman
