

Welcome to the Kindergarten Class of 2021-22!

I am super excited to be your Kindergarten teacher! We will learn so much together and have fun doing it! We have lots of activities planned to learn religion, reading, writing, math, social studies and science! Music and art are a big part of our day every day too! We are lucky to go to specials during the week - library, technology, gym, art and music. We take lots of breaks during the day- brain breaks as well as drink & snack breaks! You get to have your lunch with us in school also. A favorite is always recess time! We are a team in Kindergarten! Welcome to the Saint Aloysius Kindergarten Team!!!

Hope you have an awesome summer! See you at the end of August for our Kindergarten individual orientation and readiness testing! More info to come!

Love,
Mrs. Dudek
