Things to work on this summer to be ready for First Grade!

- Number one thing to do is- **READ, READ, READ!!!!**
Practice your high frequency words and work on fluency!
- Review work done in your Reading Wonders homework book! Practice Kindergarten high frequency words- attached to the list!
- Practice handwriting with the pages left in your handwriting book!
- Write in your personal journal- once a week would be great!
- Work in IXL- you now have your child's login for this. It is for reading and math!
- Practice any of the math from your Kindergarten year! If there is something that was hard for you, work on it!
- Take time to have fun and play outside!!!!
