

Dear Preschool Families,

Welcome to PreSchool-3 (5 Days)! I cannot wait to be your child's preschool teacher for the 2024-2025 school year. As you prepare for the new year there will be a lot of mixed emotions.

Be assured I will do my best to make it an enjoyable time for your child, but also a time filled with real learning. The skills we practice daily in PreK- 3 are the building blocks for your child's future success in school and in life.

At the end of summer I will send out a letter to you and your child with important information. But in the meantime I have included a supply list to help you prepare for the upcoming school year.

Thank you,

Mrs. Niki Gormont
