

# WELCOME TO 6<sup>TH</sup> GRADE

Dear 6<sup>th</sup> Grader,

Congratulations on completing another academic year! It was interesting to say the least. I am looking forward to a great year ahead.

My name is Mr. Palmieri and I will be the Middle School (6-8) Science teacher. I will also teach 6<sup>th</sup> grade ELA and Religion. Middle School can be demanding at times with a new schedule and challenging material. It's also fun and exciting! You will be viewed as "leaders" of the school, so remember to always set a positive example.

I have a B.S. of Education and a Masters in Educational Leadership. I am certified to teach Middle School Language Arts as well. This will be my tenth year teaching and fifth year at St. Aloysius.

I am excited to watch you grow into young adults, make good choices, and become natural leaders. For now, enjoy your summer break, continue reading, and play outside!

Sincerely,

Mr. Palmieri
