

The Knight Life

Week of February 6, 2023

Playground Update

We will be breaking ground the week of February 20th! Installation should take no more than a week. We are so excited to be able to offer all of our students a safe play area during recess.

Purse Bingo

Grab your friends! Grab your family! Come out for a fun night of adult designer Bingo! They'll have a 50/50, basket raffles and more! You must be 21+ to play. Contact H&S President, Julie DeMichael, at hsa@saintalloysius.net for table reservations. **Space is limited!**

7th Grade Visitation Day

PJP High School is hosting a **7th Grade Visitation Day** on Thursday, March 23. This is an excused absence for all 7th grade students who attend. Parents, you need to sign up using this link:

Sunday's Gospel Connection

Families have rules. Without rules, family life would be chaos. As a family, brainstorm a list of rules that you are all called to follow in your home in order for you all to get along together. Think about rules for play time, rules for eating, rules for how to speak to one another, rules for going out with friends, and so on. Emphasize that families follow rules as a way of showing love and respect for one another. Explain that in this Sunday's Gospel, Jesus talks about following the Law. Read aloud this Sunday's Gospel, Matthew 5:17–37. Talk specifically with one another about how anger is to be dealt with in your family. Conclude by praying for the grace to overcome anger and to show respect for one another as a family by following God's Law of love.

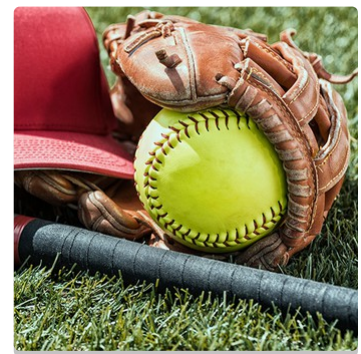

School Store

Our online school store is up and running! It has some great spirit gear. We have some extra uniform jackets here in the office. Call Mrs. Sanft before placing an online order. We may have your size here! We are out of the YM size. The link to the school store is <https://saintalloysius.logoshop.com/>.

Frozen Rehearsal Schedule Broken Down by Cast Member

100th Day

First grade's annual tradition of welcoming our 100 year old grandmas and grandpas into the building was a hit! Students spent the day counting, sorting and grouping to 100.

Sixth Grade

Students participated in a cross-curricular STEM activity that involved different challenges related to the engineering of many different systems in Greek and Roman civilization!

Preschool

Mrs. Gormont's students loved learning about the letter R this week. They experimented with Skittles and watched a rainbow appear. Then, they created rockets!
