

# SAINT ALOYSIUS PARISH SCHOOL

*Faith ★ Tradition ★ Innovation ★ Excellence*

Dear Families,

Welcome to PreK 4! This is a special year in your child's education. Foremost, it's a year of learning about God's creation and his love for us.

Our curriculum boasts a great balance of play and direct instruction. We work in small groups as well as the whole class learning together. Through exploration and discovery, we cover pre-reading skills such as letter recognition, sounds, rhyming, and number concepts. Many centers are open to choose from- art, blocks, dramatic play, manipulatives, trains, books, games and puzzles.

A Typical Day might look like this:

We will have two opportunities for you to bring your child to see the room, visit, and meet some friends. Half the class will come on Wednesday, Sept. 1 from 10-11:30 am and the rest on Thursday, Sept. 2 from 10-11:30 am. If you have a day preference, email me. I will send out the schedule in mid-August. It would be helpful to bring the items on the list at that time.

Please email me with any questions you may have.
