Sunday's Gospel Connection

Families, as the domestic church, have the opportunity to make the family meal a time of prayerful encounter with one another and with Jesus. At a family meal we share our experiences of the day and connect them with the experiences of others in the family. We can also enjoy the meal as an opportunity to reflect upon our family life in light of Scripture. At their best our family meals can connect us to Jesus too.

Choose a family meal this week to share one another's experiences of the week in a special way. Perhaps invite family members to plan and prepare the meal together. Begin the meal by reading today's Gospel, Luke 24:13-35. As you eat, talk together about how the disciples discussed their experiences in Jerusalem and how they came to understand them differently when Jesus interpreted those events in the light of Scripture. Then invite each family member to share the things that are going on in his or her life. Consider what Jesus might say to each person if he were sitting at your dinner table. Conclude with a special prayer after your dinner. Pray a prayer of blessing for each family member, asking that Jesus continue to be present in each person's life, helping each one to be a better follower of Jesus. Conclude with a Sign of Peace.
