## **MIDDLE SCHOOL (6,7,8) STATIONERY SUPPLIES**

### **2022-2023 SCHOOL YEAR**

Dear Parents,

Congratulations on a great year! We are so very proud of the families who have supported their children and the teachers. Together, we did it! See below for the required items provided by the parents and the ones provided by the school.

Supply lists are subject to change year to year. Our goal as a Middle School team this year was to create as inexpensive of a “Provided by Parents” list as possible. All items under the “Provided by Parents” list are the students’ responsibility to replenish on their own accord. The decision of whether or not to supply backup materials under this list will be determined by the Middle School team.

Under the “Provided by School” list, you will see some items marked with an asterisk. Those items are going to be supplied in a class set for each Middle School teacher and will not be given to students for personal possession.

### **Classroom Donations Provided by Parents**

Please have your student bring the following items to his/her homeroom teacher on the first day of school.

Tissues (1 box or package of boxes)  
2 boxes of sandwich bags (zip close, not fold over)

*Note: We have plenty of Lysol wipes and Germ-x left over from last year and will not be needing donations of these.*
