## SUNDAY'S GOSPEL CONNECTION

In chapter 14 of Luke's Gospel, Jesus is speaking to people gathered at the table about the difficulties of following him. This group of people is suspicious about Jesus, looking to catch him doing something wrong. Jesus speaks to them in parables, emphasizing that although there is a right way to be a disciple and enter into the kingdom of his Father, it is a difficult path to follow. Many, even some of the guests at the table, reject the invitation. So Jesus turns to the crowds and speaks to them of discipleship. Jesus explains that, when it comes to making a choice for the Kingdom of God, **nothing can get in the way!**

## WHO'S READY FOR SOME CORNHOLE?!

St. Aloysius Parish is planning a community Fall Fest to help offset some of the costs to update our gym. Get your cornhole team together! More details to follow.

## THANK YOU!!

The teachers were absolutely blown away by all of your generosity. They loved getting their Amazon packages. Their lists will remain active on our website, so feel free to check back a few more times this year and keep the surprises coming! I also want to take this opportunity to thank all of YOU for an amazing transition back to school. With cooperation from teachers, families and students, we kicked off an awesome start to the school year, and were even able to dismiss in record time on both days! Let's gooo!!
