Sunday's Gospel Connection

When infants are baptized, parents, with the help of the godparents, assume responsibility for raising the child as a follower of Jesus. The process of maturation in the faith is much like the example found in the story of the man born blind. The man is cured of his blindness, a symbol of his sin. Each time he meets someone after the healing, the man comes to a deeper awareness of who Jesus is. In a similar way, we who are baptized continue to mature in faith as our relationship with and knowledge about Jesus grows.

Invite each member of your family to draw a timeline of his or her life. On the timelines, ask family members to identify significant moments in their lives, especially their life of faith. Invite each person to reflect upon who Jesus was to him or her at each significant moment. How has each person's relationship with Jesus changed or matured? Then read together

today's Gospel, John 9:1-41. Note how the relationship between Jesus and the man born blind changes and grows throughout the Gospel. Pray together that your relationship with Jesus will continue to grow and develop, becoming ever deeper. Conclude by praying together the Lord's Prayer.

3rd Grade

Students began drafting their informational writing piece. They used books from the library, EPIC!, and their Chromebooks to begin their introductions where they explored ways to "hook" their audience

6th Grade

Sixth grade students are studying the culture, geography, wildlife and history of Australia. The other day, they welcomed Mr. Dan Grendon who used to live there! They really enjoyed listening and learning from someone with first-hand experience.
